PROFESSIONAL EXPERIENCE

Ebos, Software Developer

Remote, currently working

Lahkam, Web Developer

Douala, 12/05/2022

- Created a website for an NGO called Young and Creative whose goal was to promote their event, their actions and to accept donations through the website.

Afrique Media, Web Developer Intern

Douala, 12/08/2020

- I was the project lead and collaborated with colleagues to create their current website, including design, troubleshooting, and debugging.
- Maintenance of their website for 6 months after the internship.
- Learned to use collaboration tools like Trello that create a shared perspective for project management.

REWARDS AND ACCOMPLISHMENT

African girls in tech, Founder and Blogger

December 2021-Present

I currently run a Facebook page called African girls in tech (AGIT) where I encourage girls to dive into the world of tech and also share some tips to ease their coding journey.

Volunteer Tutor,

Douala, 15/04/2022 – 25/05/2022

Tutored 10 students in small groups in HTML, CSS, and JavaScript.

In 2018,

My team and I won a competition called KIBISU in Yaoundé whose aim was to promote and encourage young girls towards technology.
